Man Wearing a Helmet

**"Home is where the hatred is", I understood what those words meant after that day...**

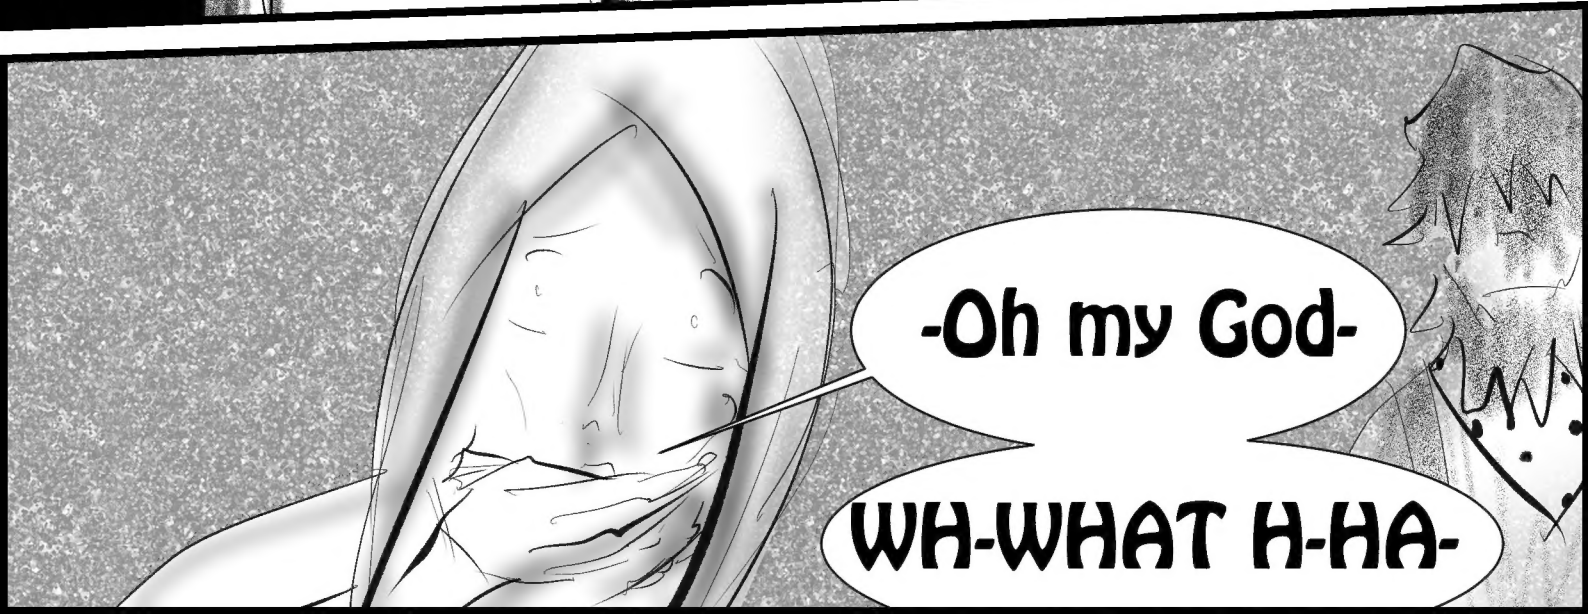

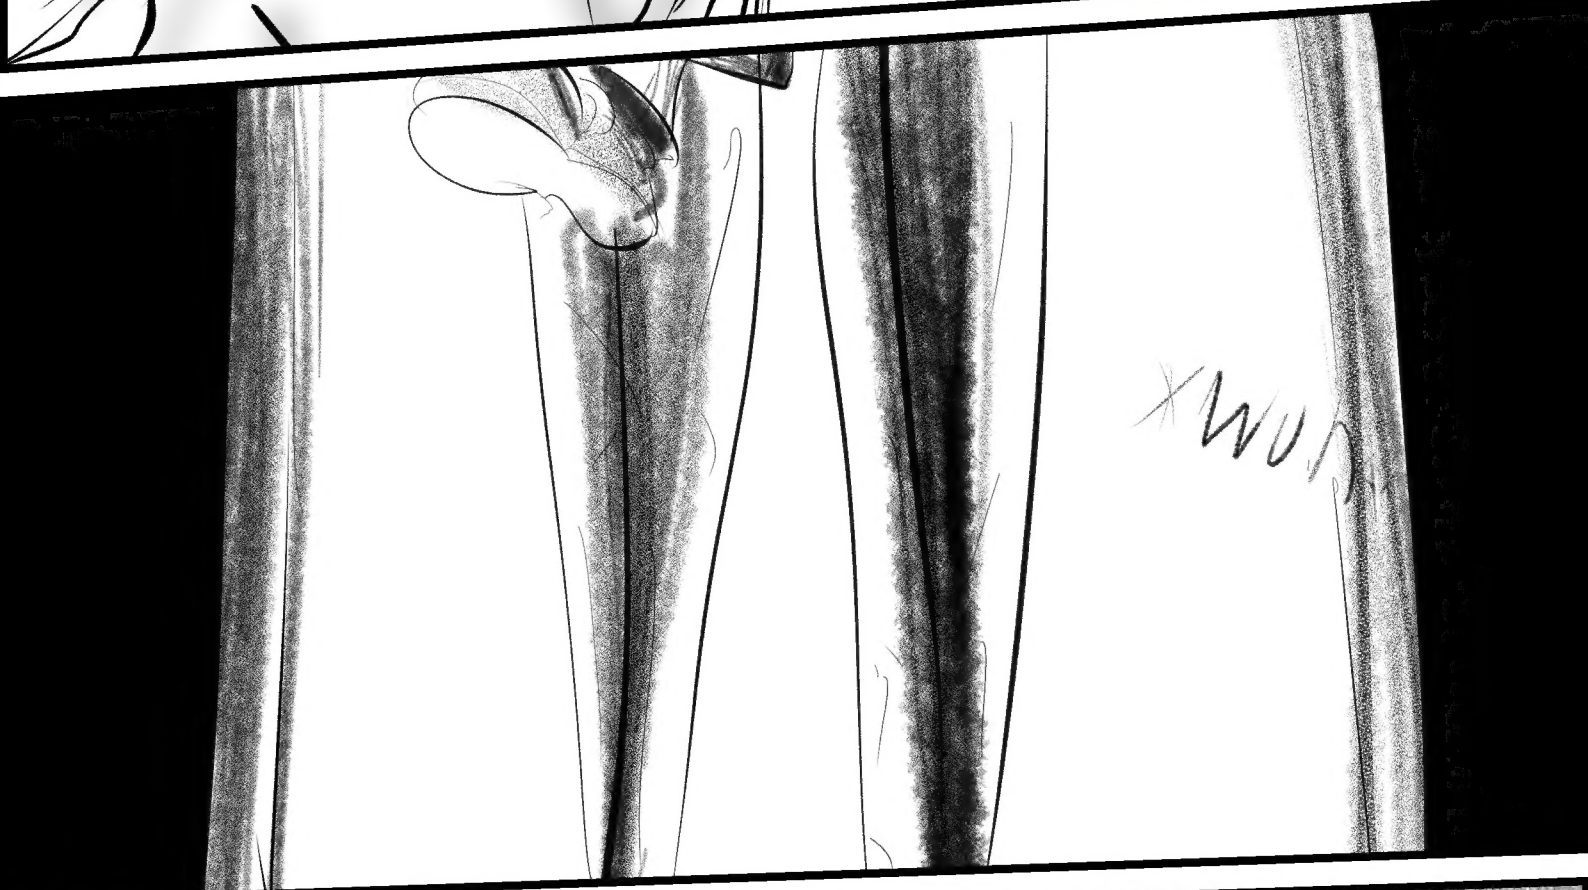

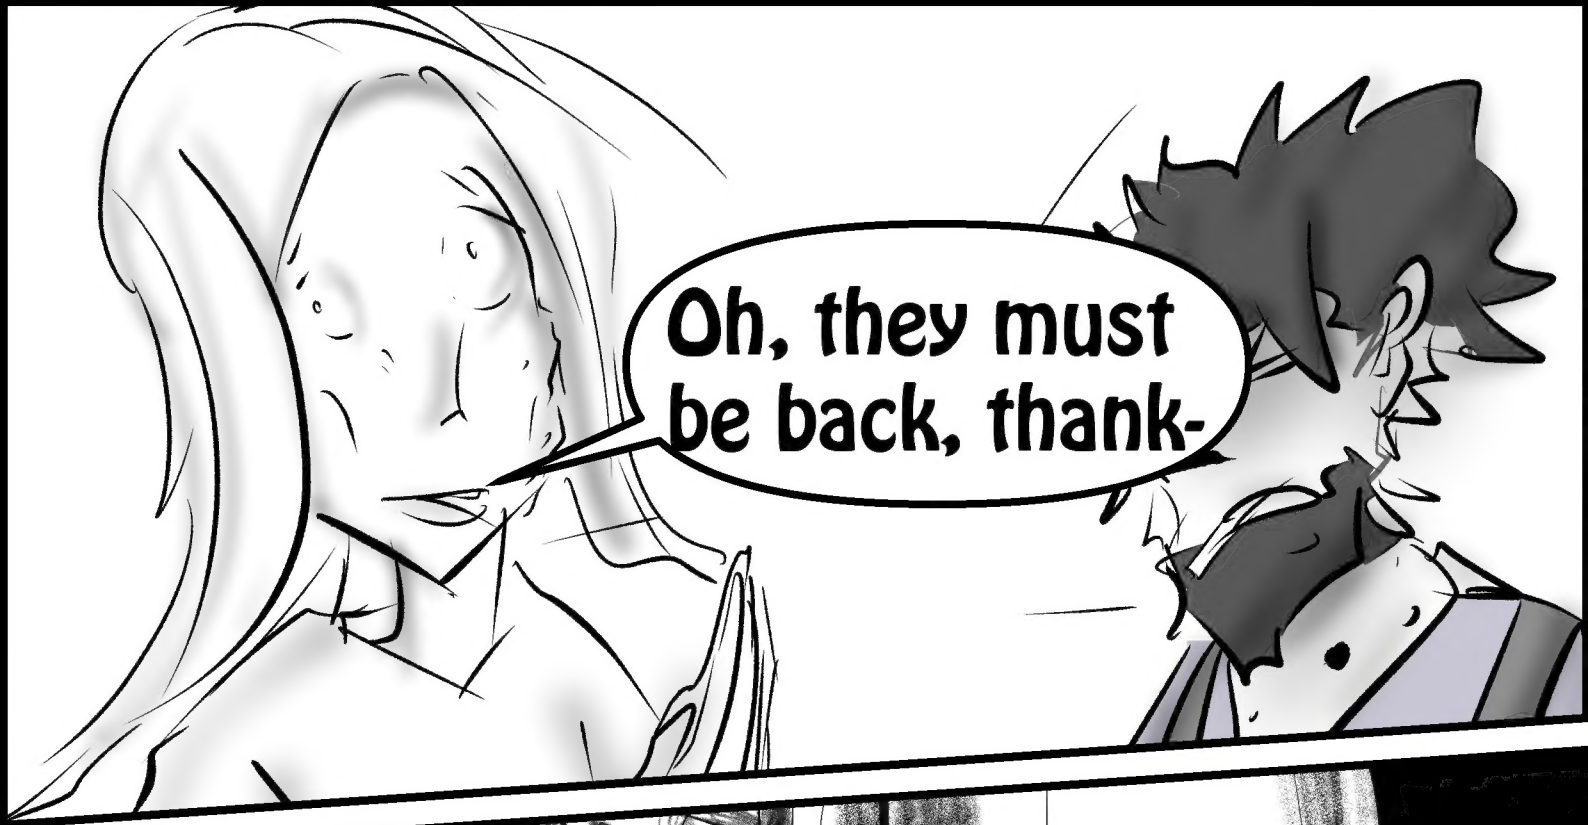

-you know kids her age, they just come up with weird stuff on their own, if it's not aliens it's some-

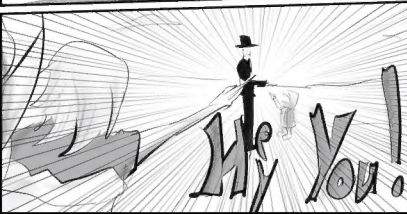

Common, you out of all people should know how this alien crap is a specific and curated product that doesn't "naturally" appear-

DUN

I wish I could lie,  
say it didn't happen

Thank you  
for finding  
lil miss  
sunshine  
over here

but now,  
hand her  
over and

just  
don't

do anything

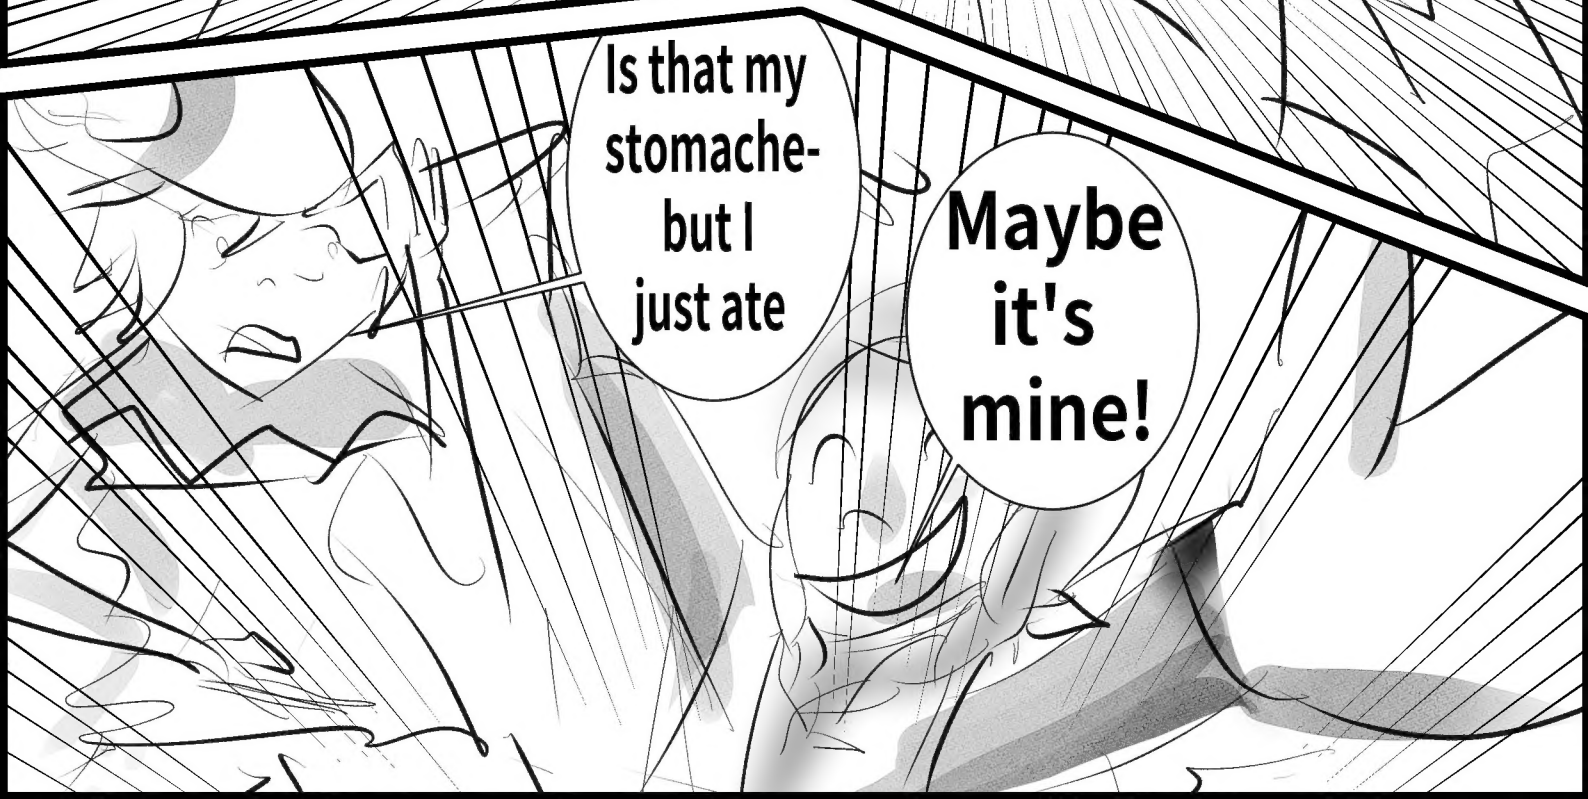

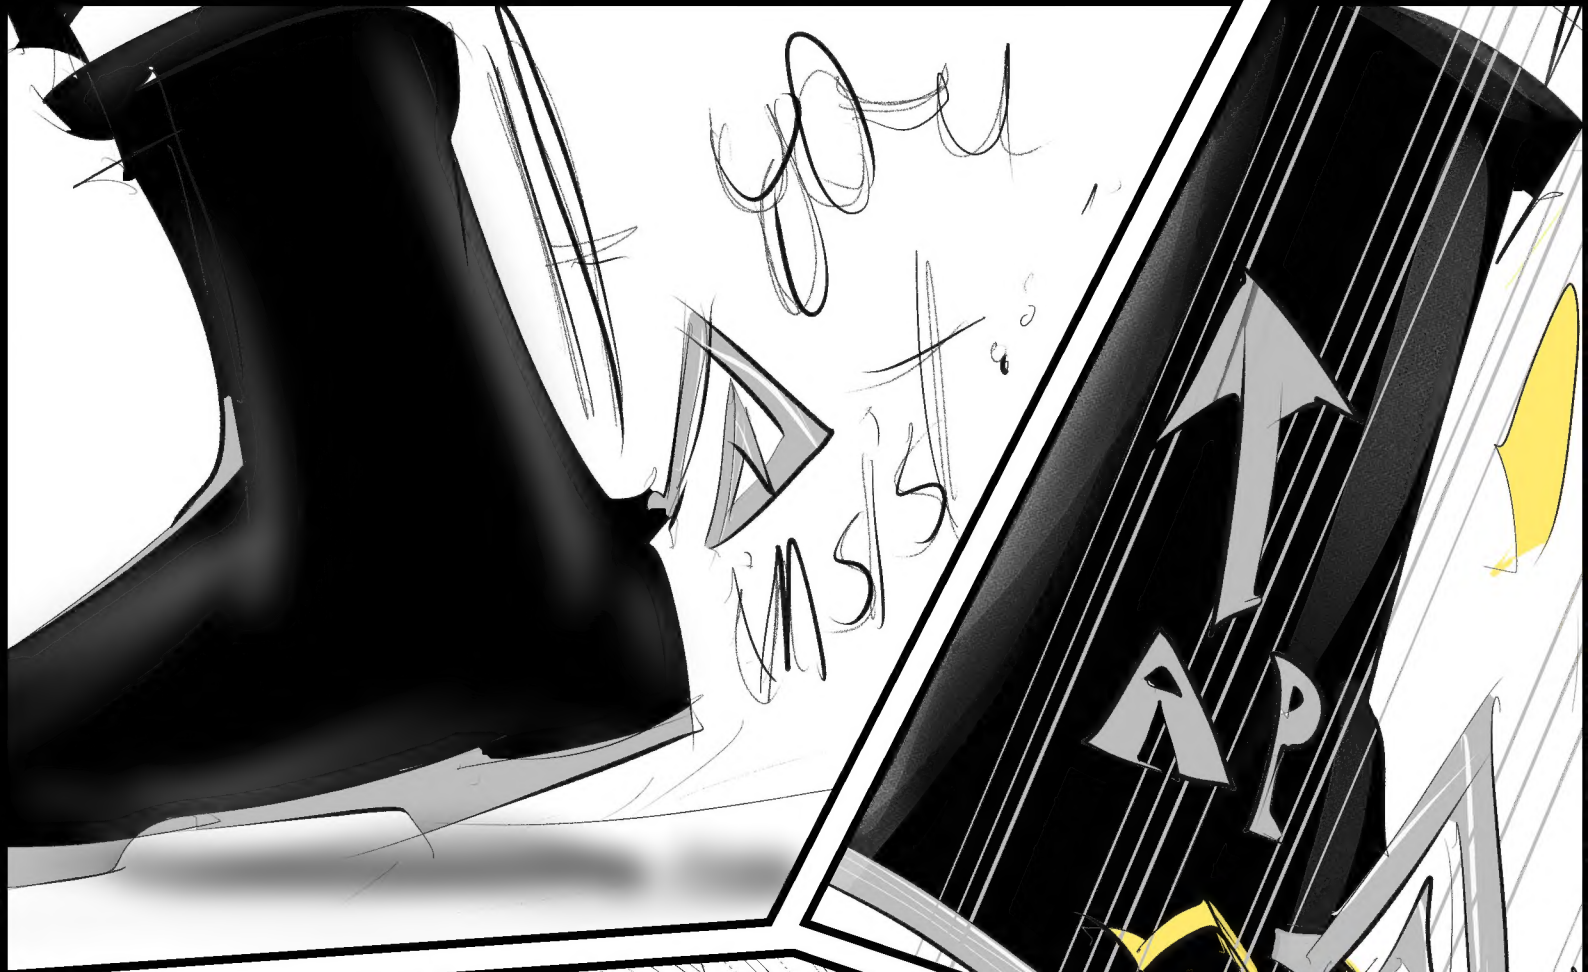

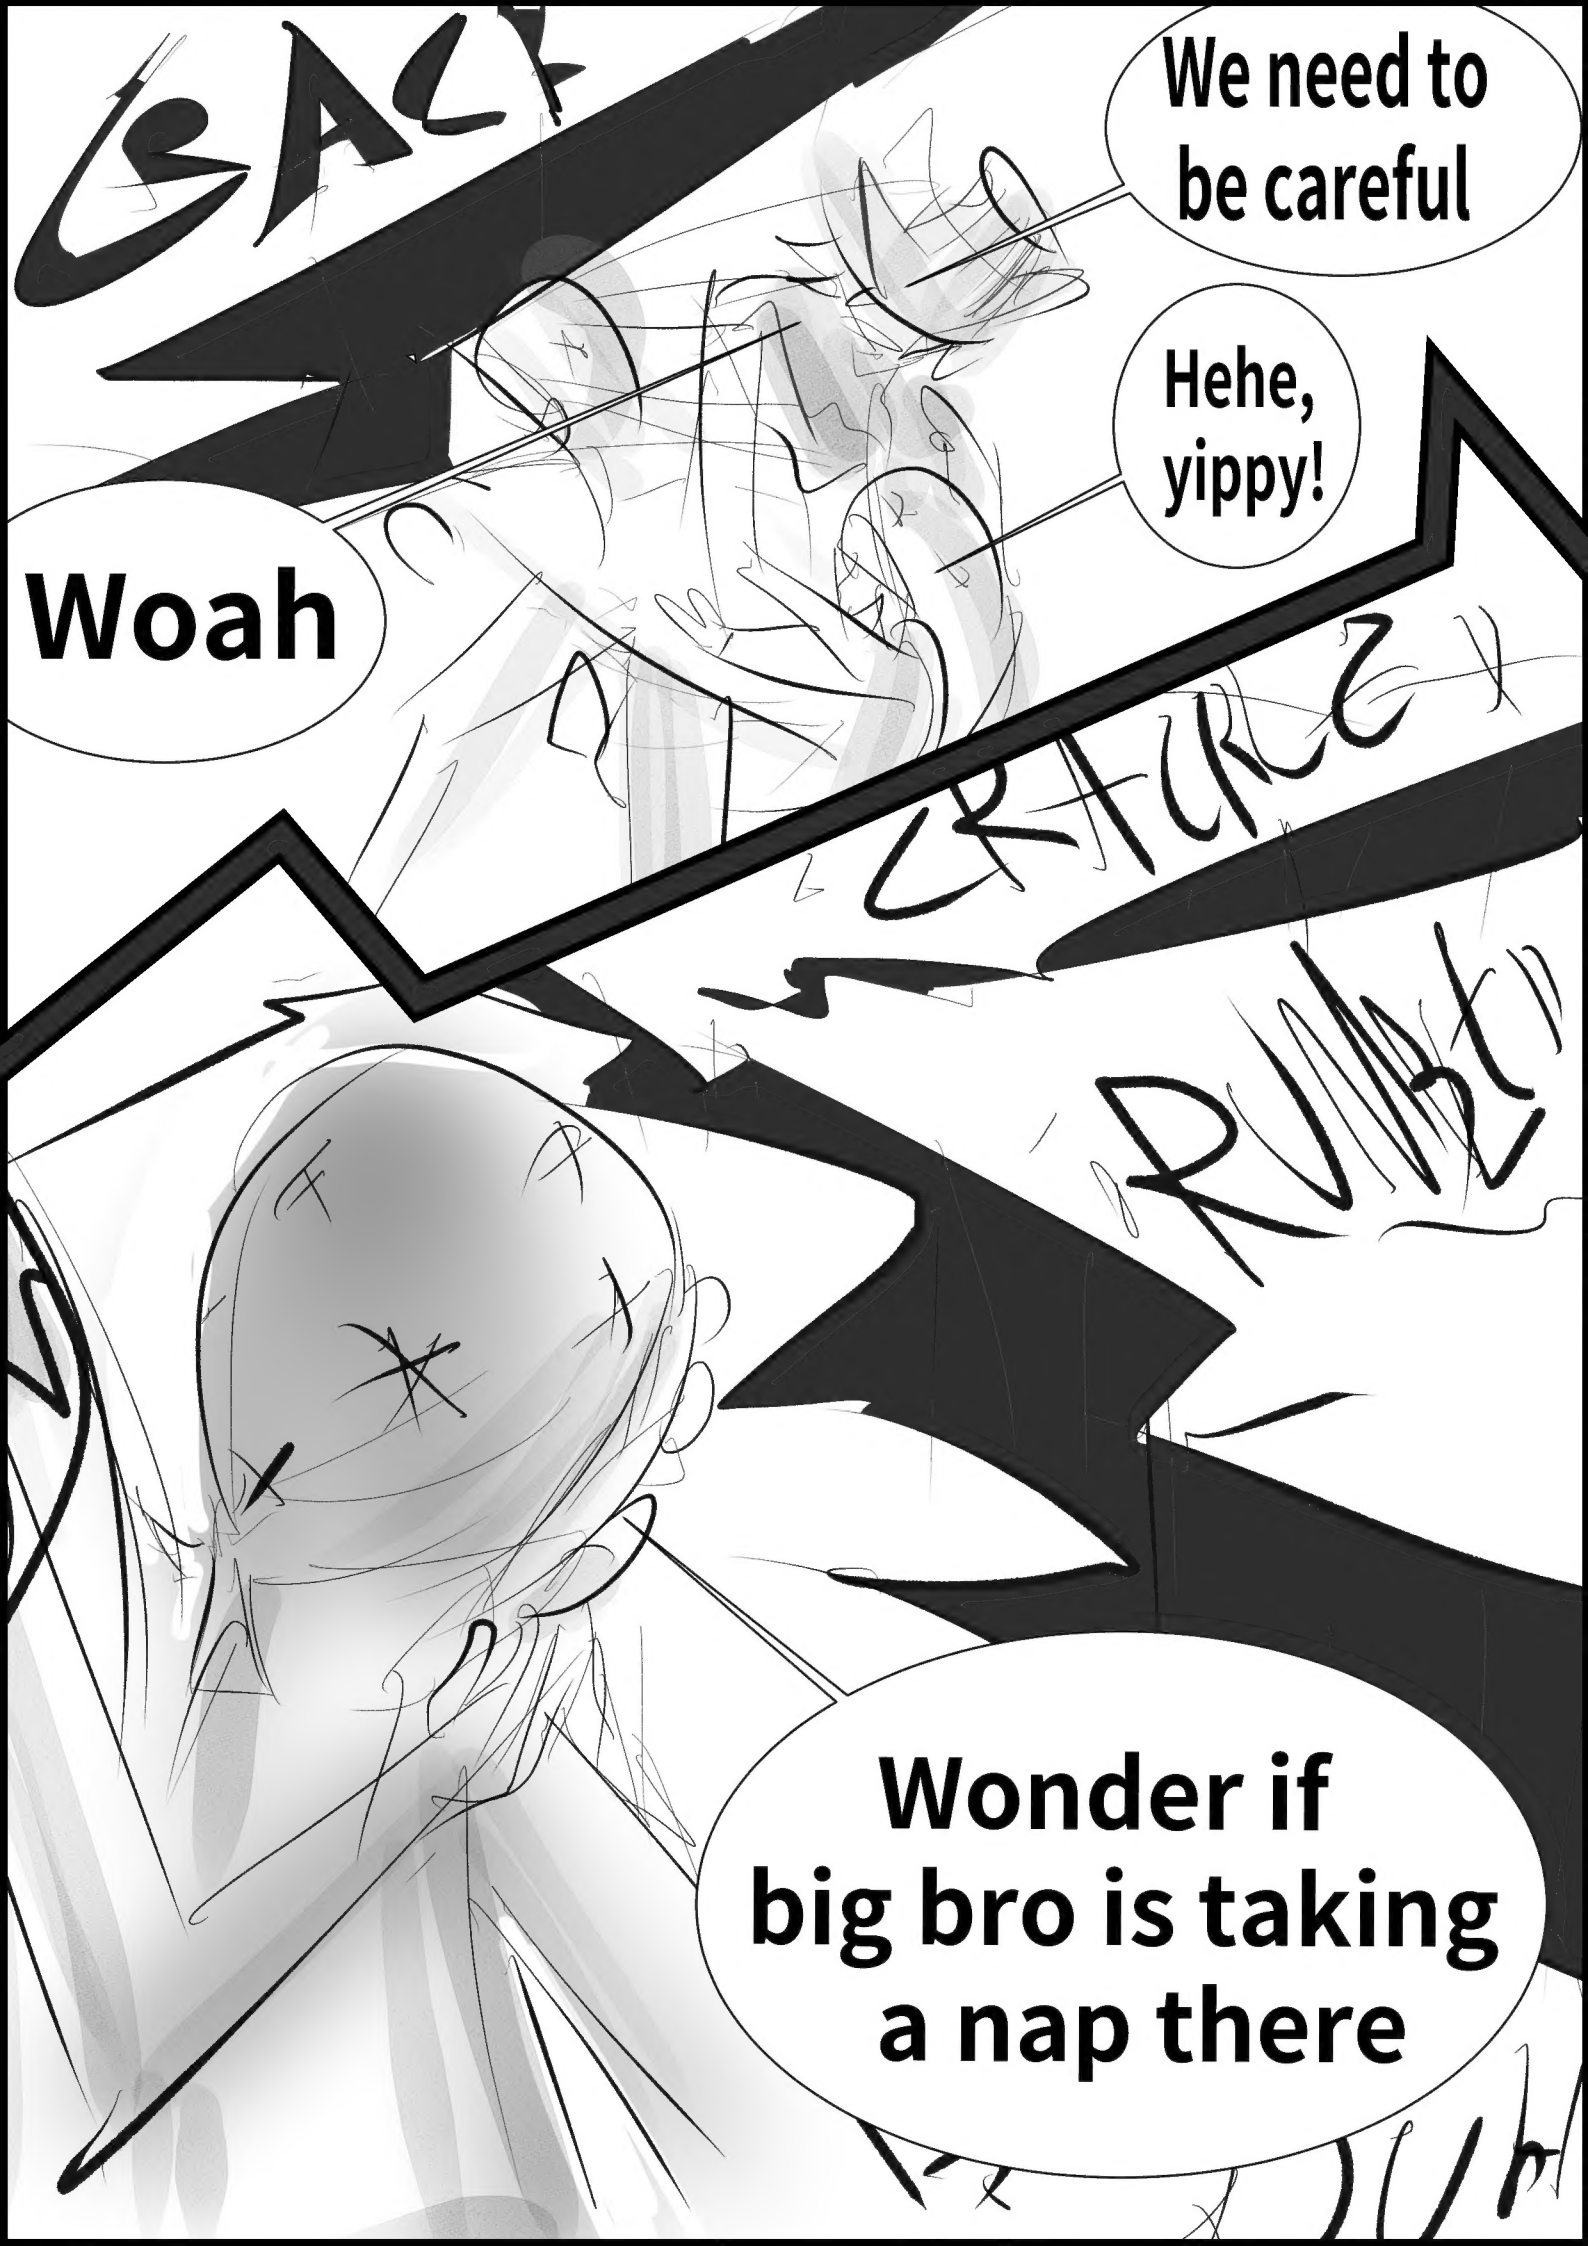

creepy-

course - - -

We need to  
be careful

Hehe,  
yippy!

Woah

Wonder if  
big bro is taking  
a nap there

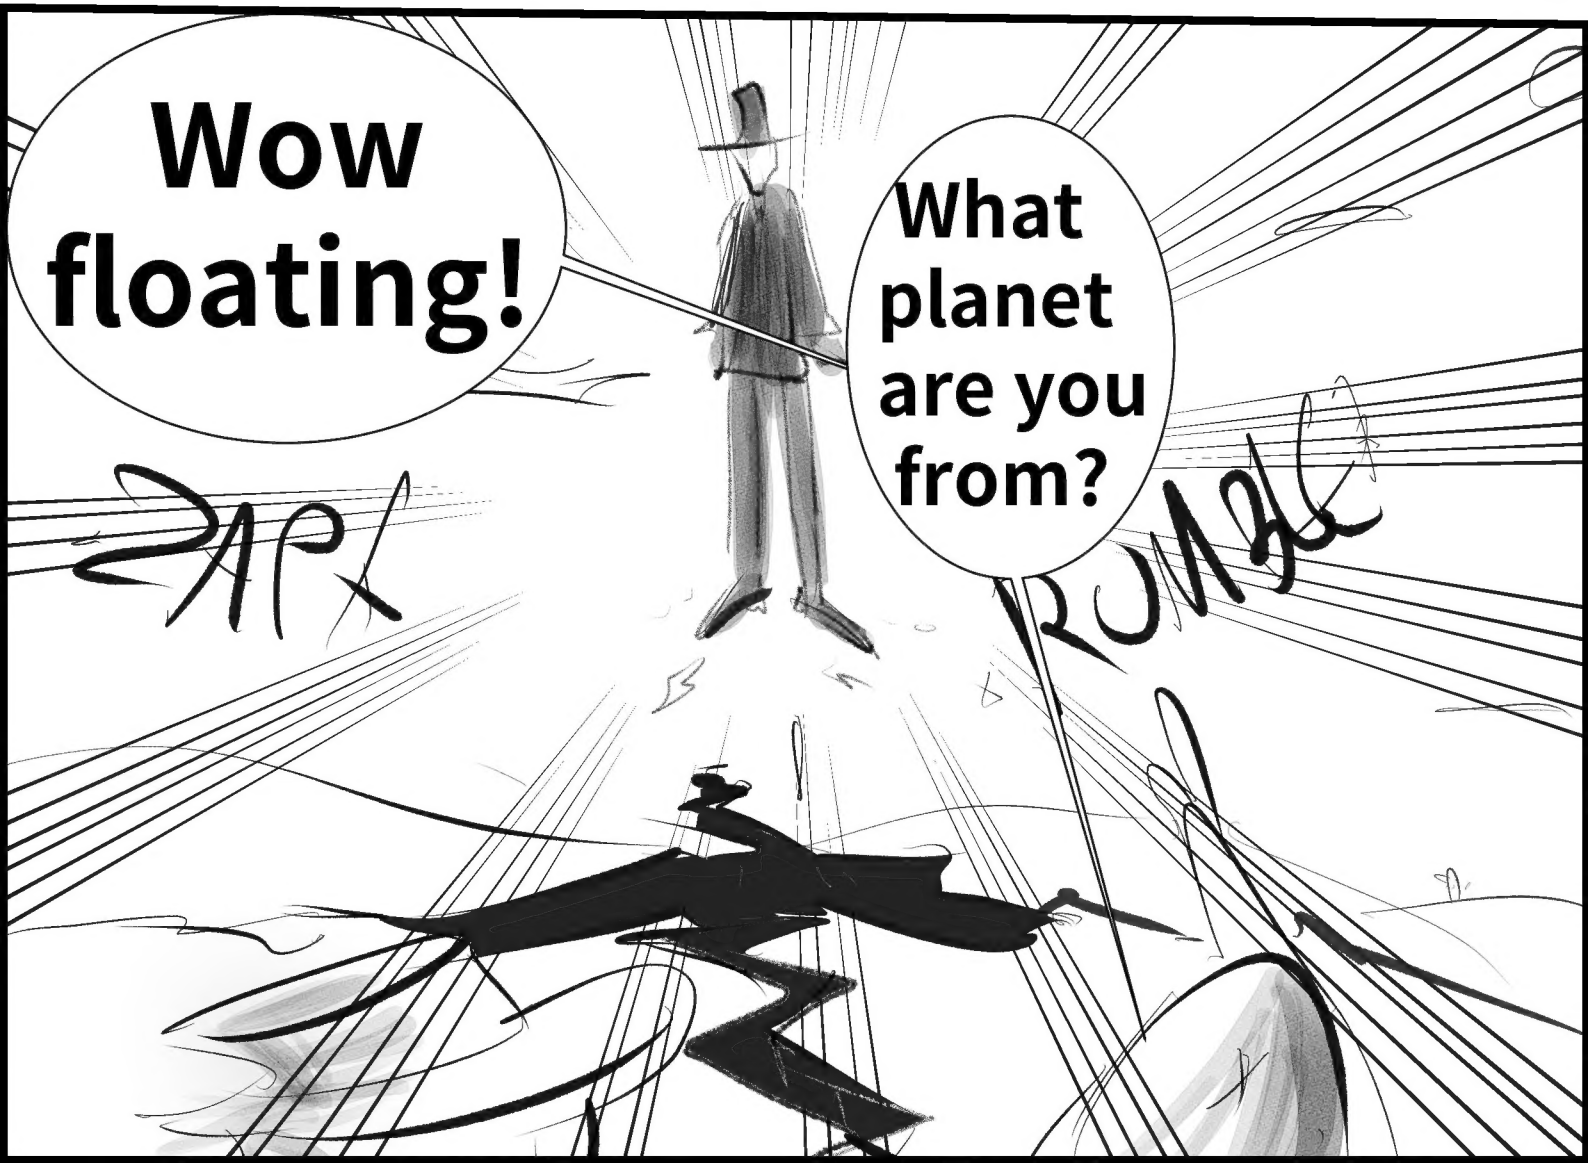

**E-eh- let's  
just get outta  
her, playing in  
crevices  
isn't fun**

**Oh, really?**

**I'm speaking  
from experience**

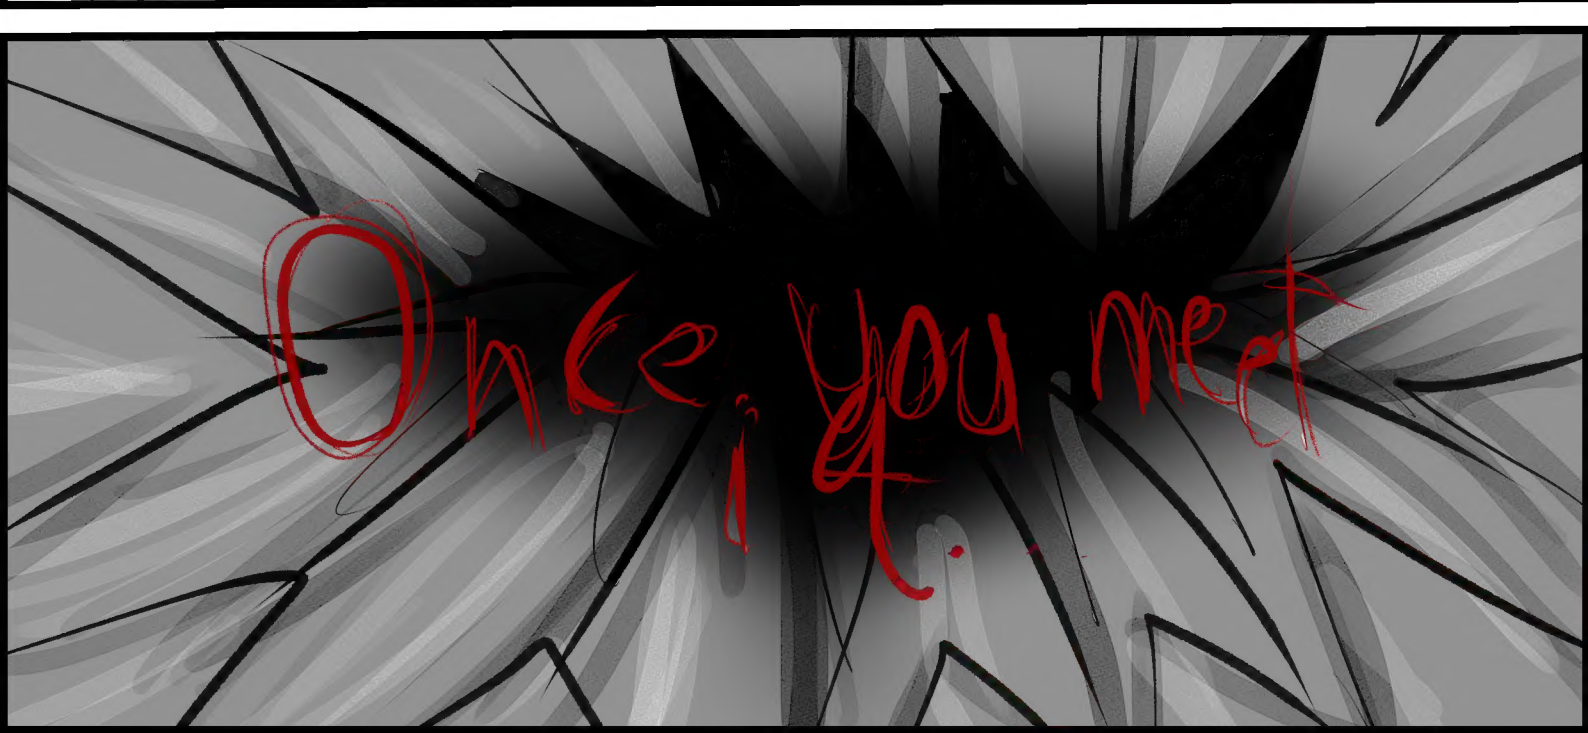

**Wow  
floating!**

**What  
planet  
are you  
from?**

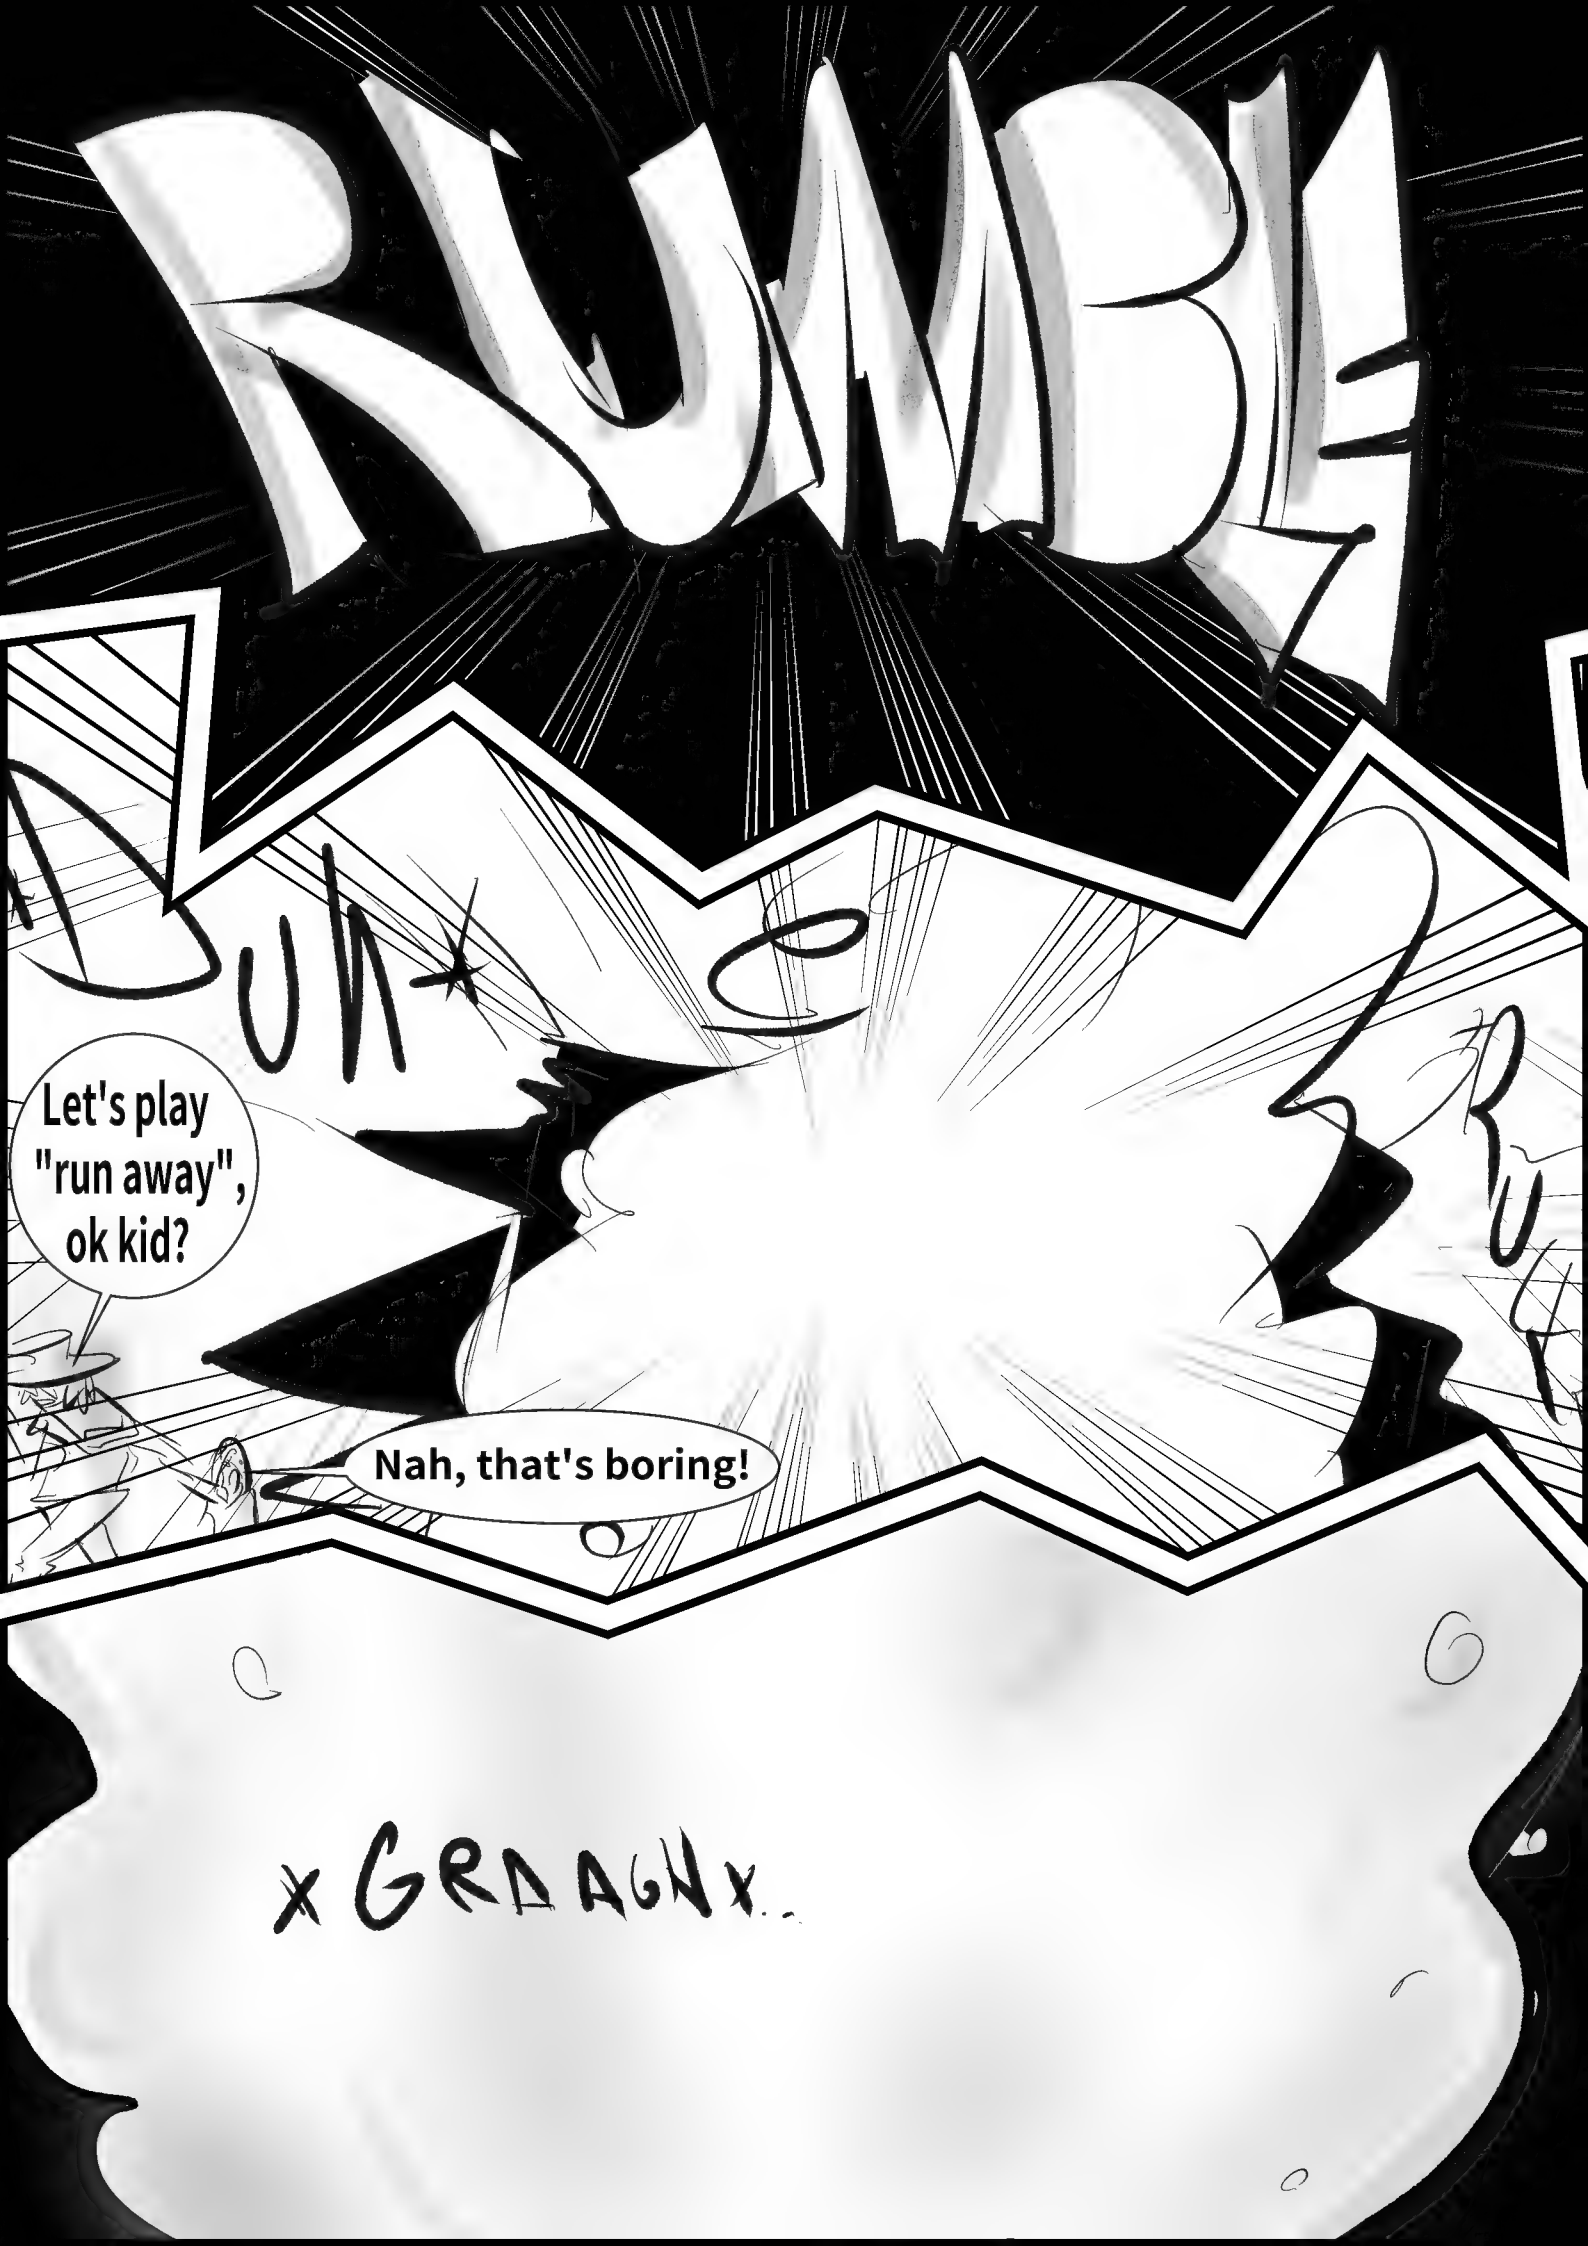

BOOM!

Let's play  
"run away",  
ok kid?

Nah, that's boring!

x GRADAGN x

Yes,  
let her  
see it

don't deny  
her childish  
innocence

**Cool!**

**ARGH!**

Wait, it's  
dangerous!

**I gotta  
get her  
attention  
somehow**

**Maybe a teeny  
little  
zap will work,  
like  
the prank  
gum I give  
Kid and Liz...**

**Way too strong!**

**Gotta change course quick**

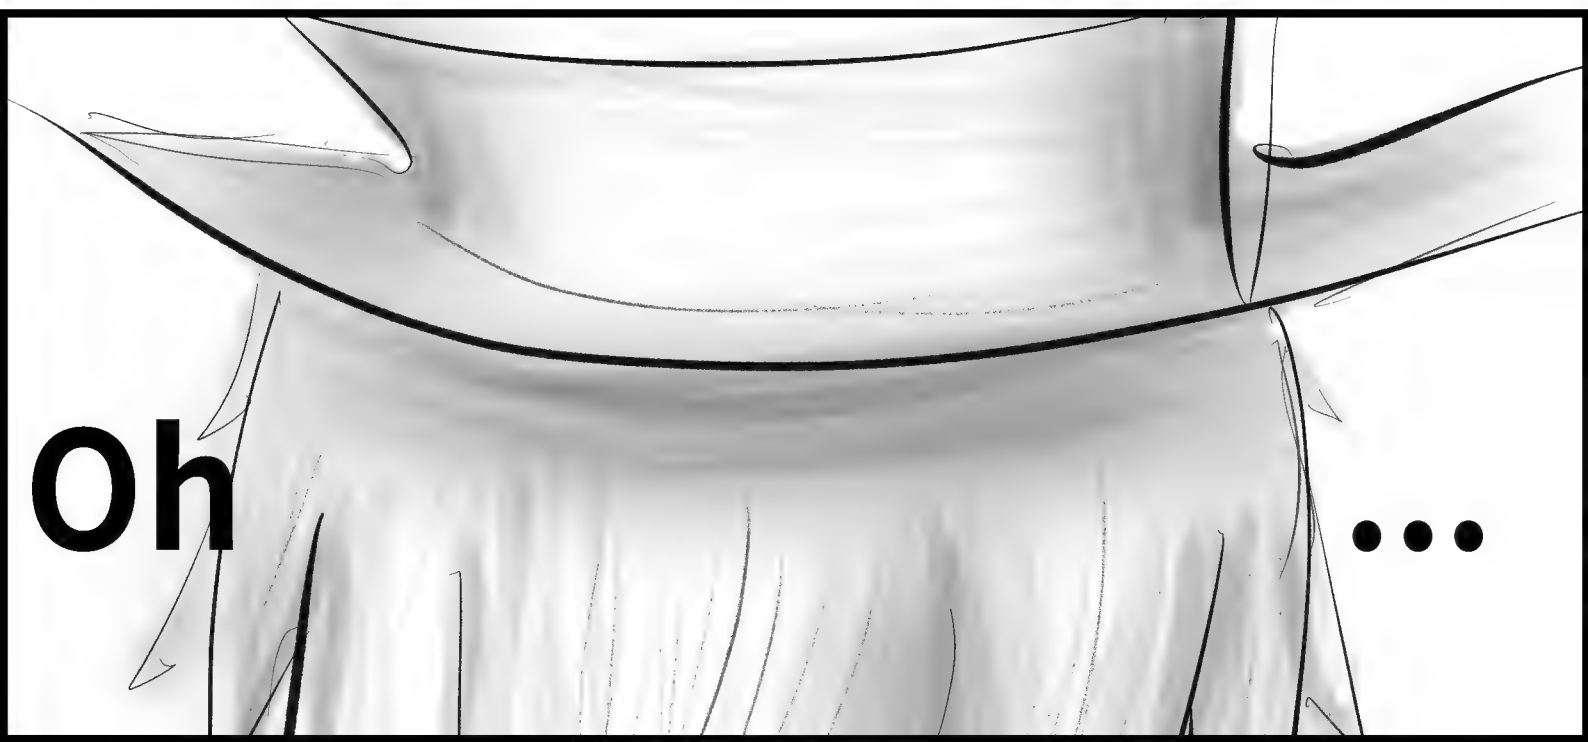

**Hey! You hurted it!**

Who,  
Dick  
Dastardly  
over there  
in the air?

**No!  
The  
worm!**

**Oh**

**Kid, Liz-**

**-No-**

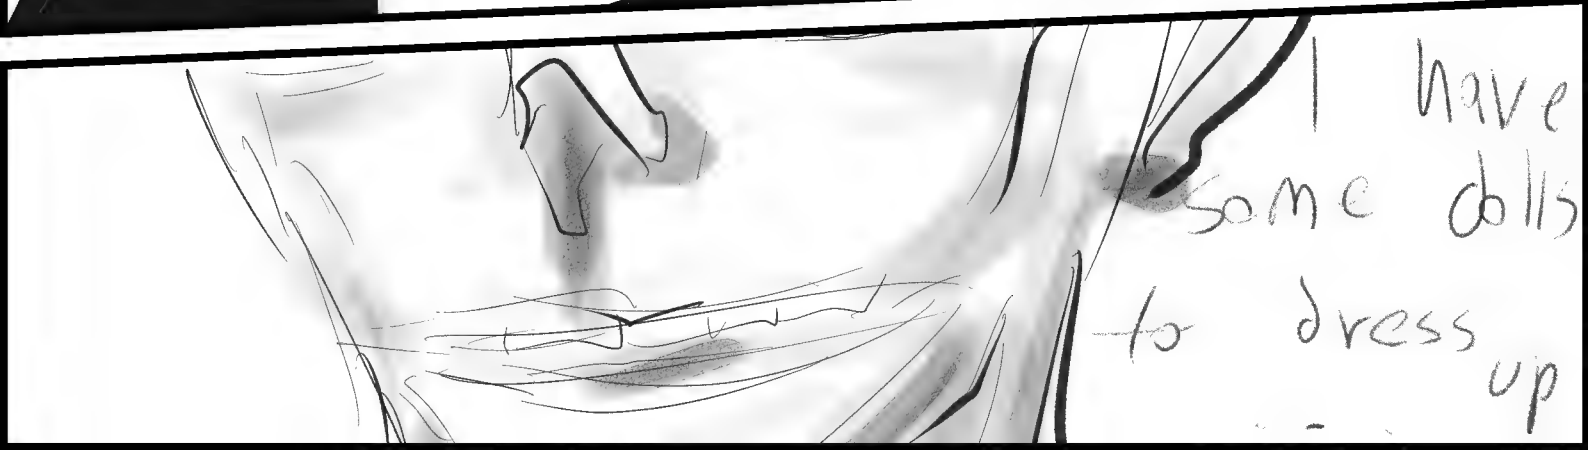

**Aunt  
Patty  
got

I have  
some dolls  
to dress  
up

I - I -  
Don't know -

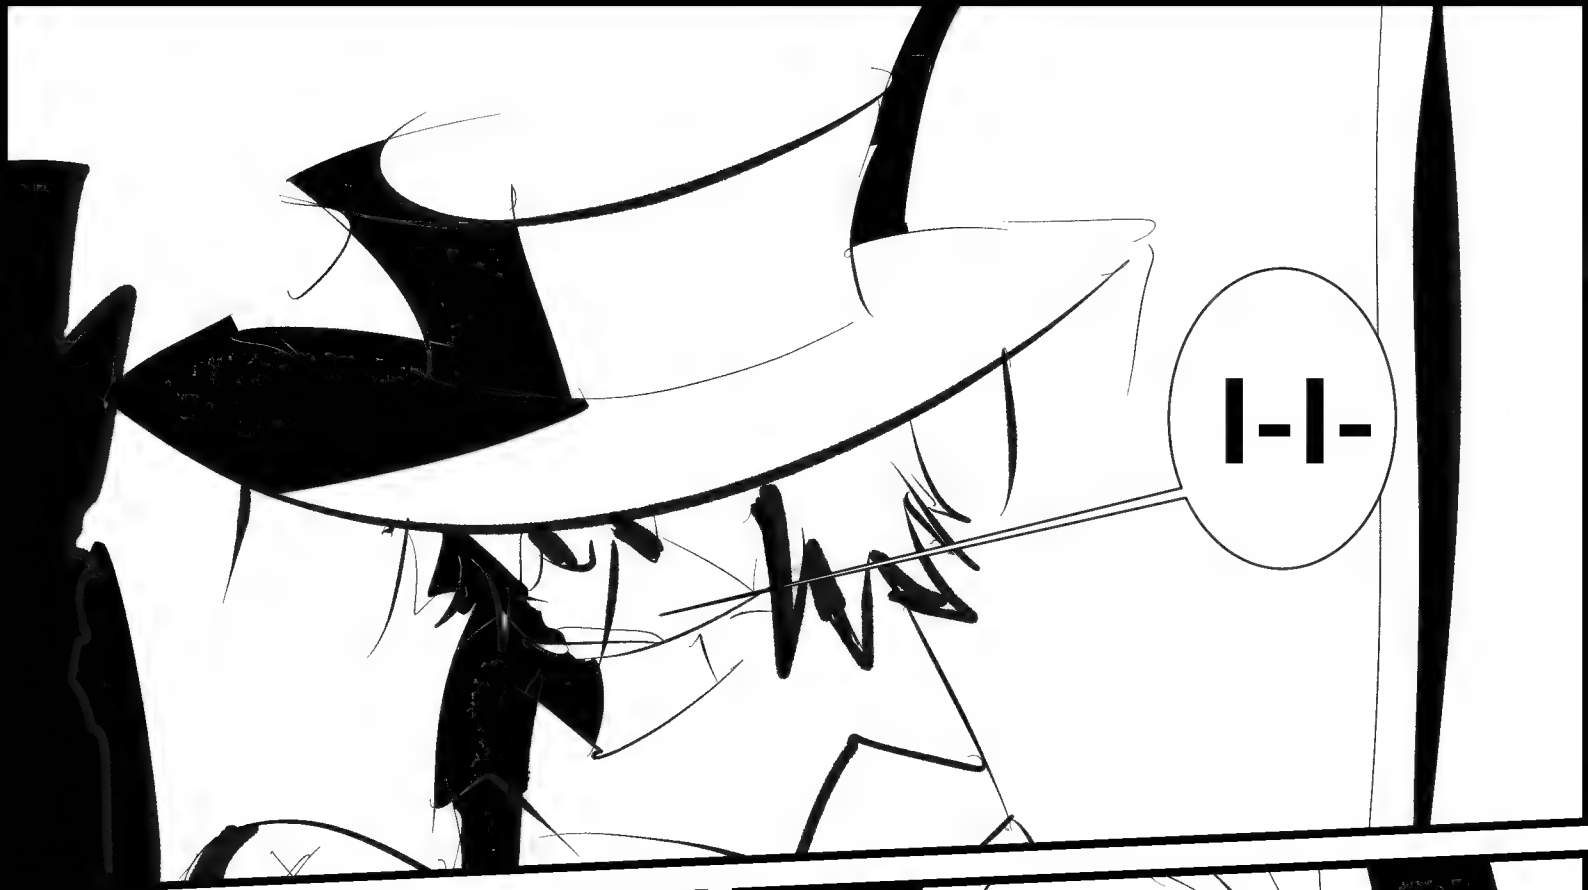

I'm sorry

have  
to  
son  
bring  
back

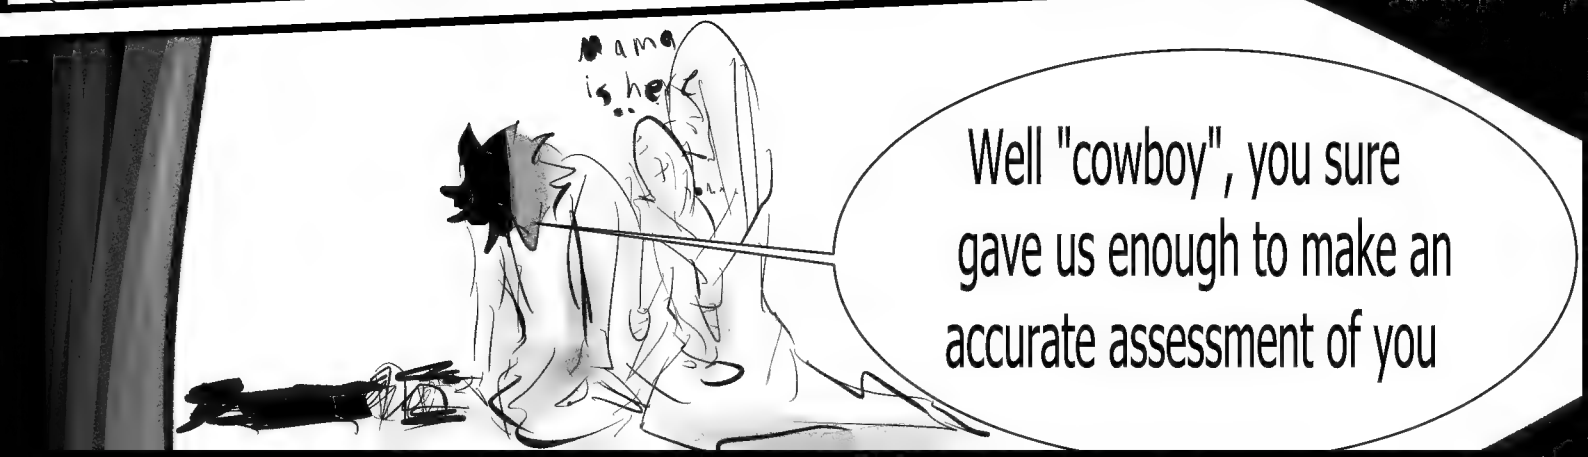

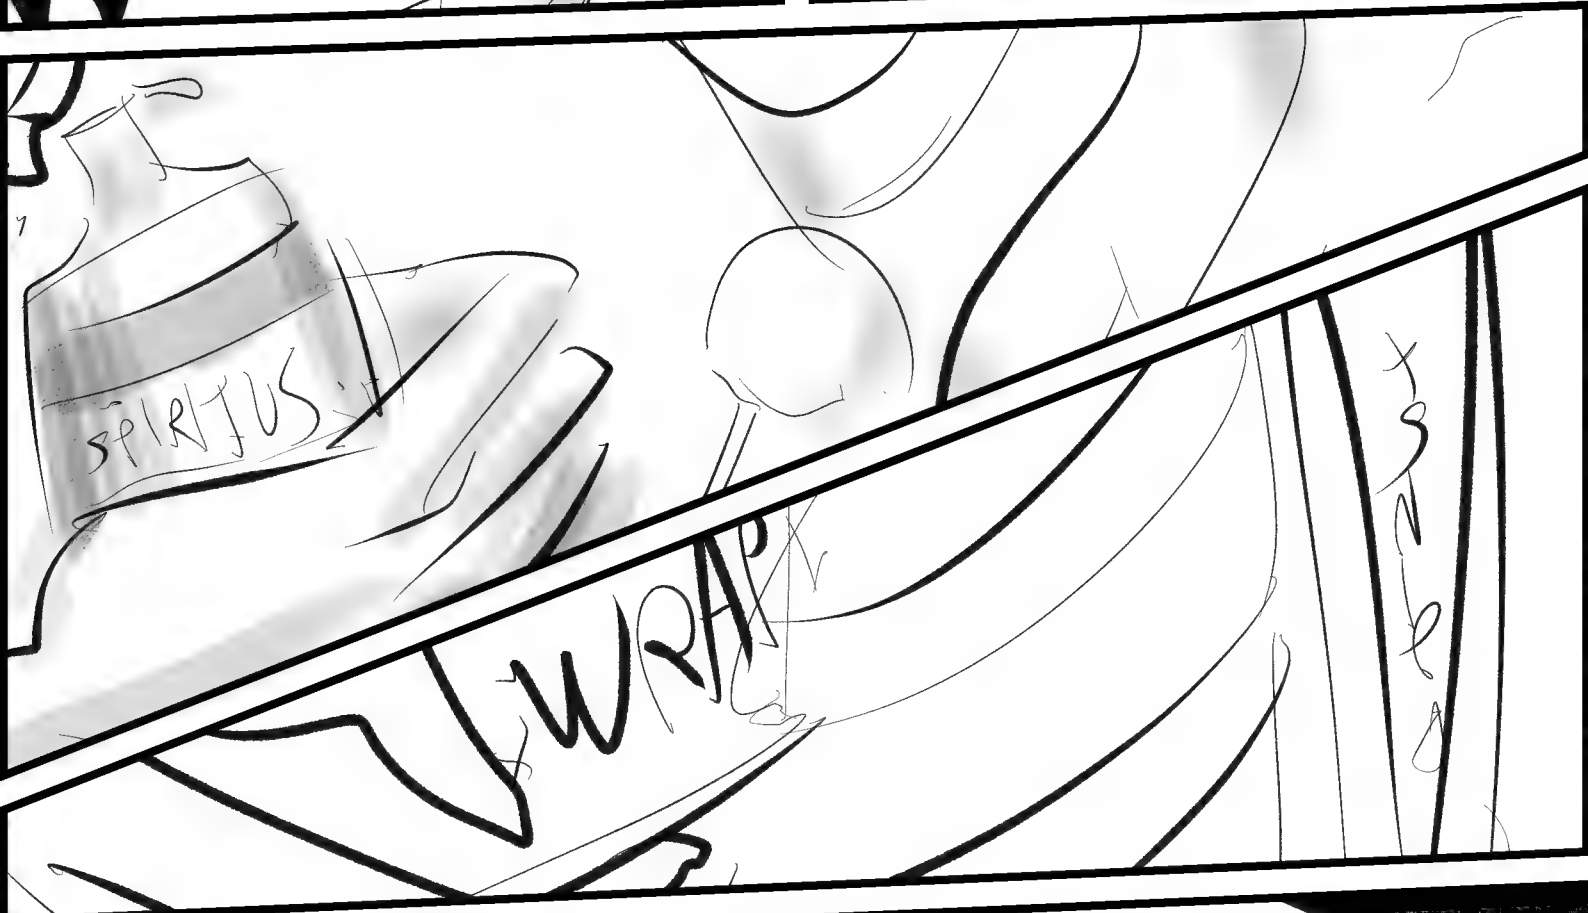

I-I-

My baby,  
nono, not  
you too!

Well "cowboy", you sure gave us enough to make an accurate assessment of you

Didn't even try  
to stop the bleeding

Guess somebody  
else does that  
back home at  
the mansion

Yeah, you're lucky  
to have someone to  
bail you out

Why should you do the  
boring stuff, that's such  
a drag, no fun at all

Haha  heh

It's a miracle  
you even brought  
her back here

No shiny sand  
grain on the  
way to distact  
you today, huh?

 Haha

Nothing to say?

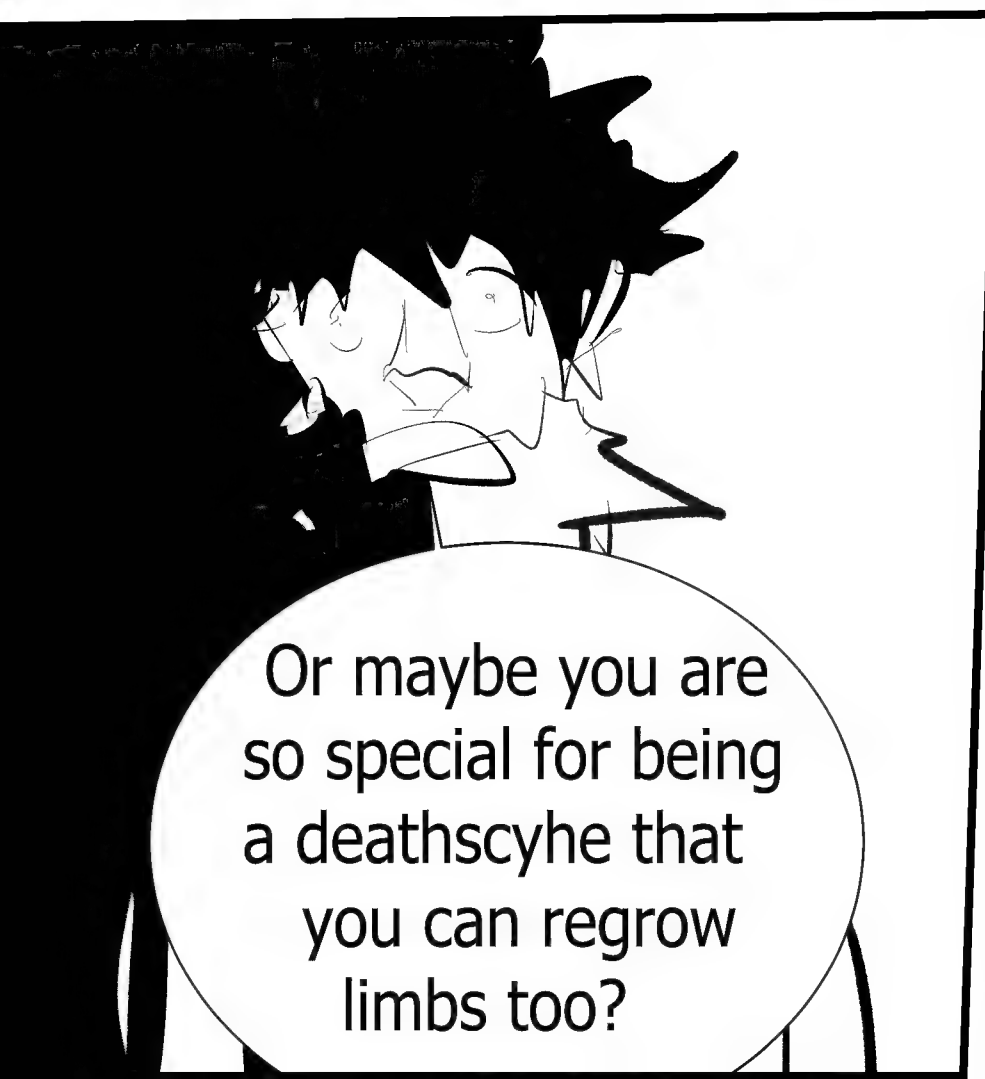

No "clapback"?  
No quips stolen  
from your  
favorite movie?

Or maybe  
some dialog from  
a quirky video  
game? It's all  
a game to  
you afterall

it up with?

**SPEAK UP!**

**I DIDN'T THINK THA-**

**Yes you don't think  
and that's what happens**

**WELCOME TO REALITY,  
YOU VAPID CUNT!**

**I'm sorry-**

Oh tears, seem  
so valuable in  
the desert, right?

They come from  
the same water  
that's already in  
your body

Only they are salty,  
making one more  
thirsty han before

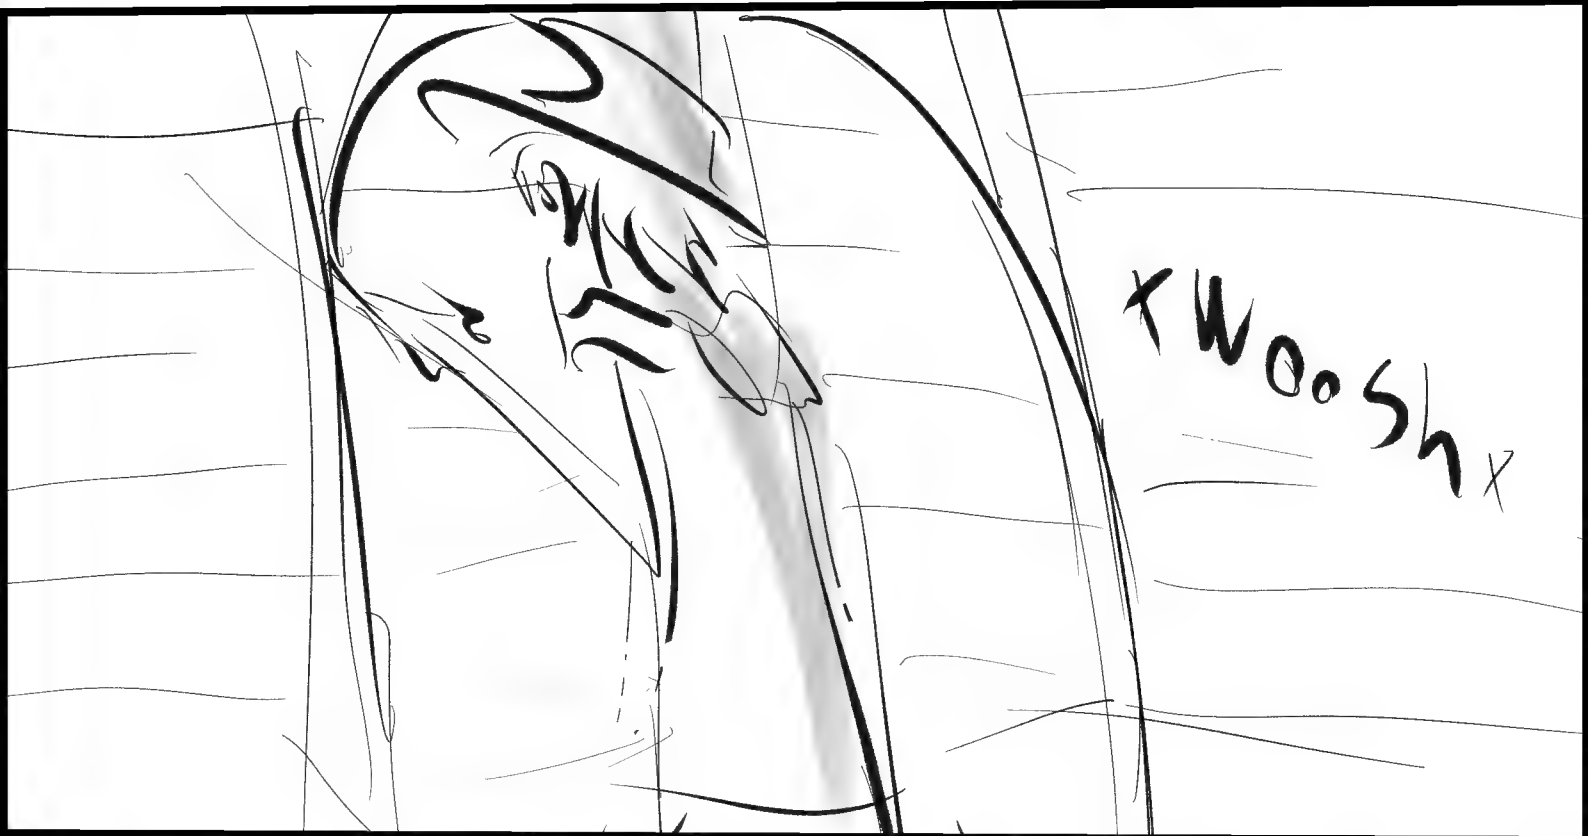

**Less than  
useless**

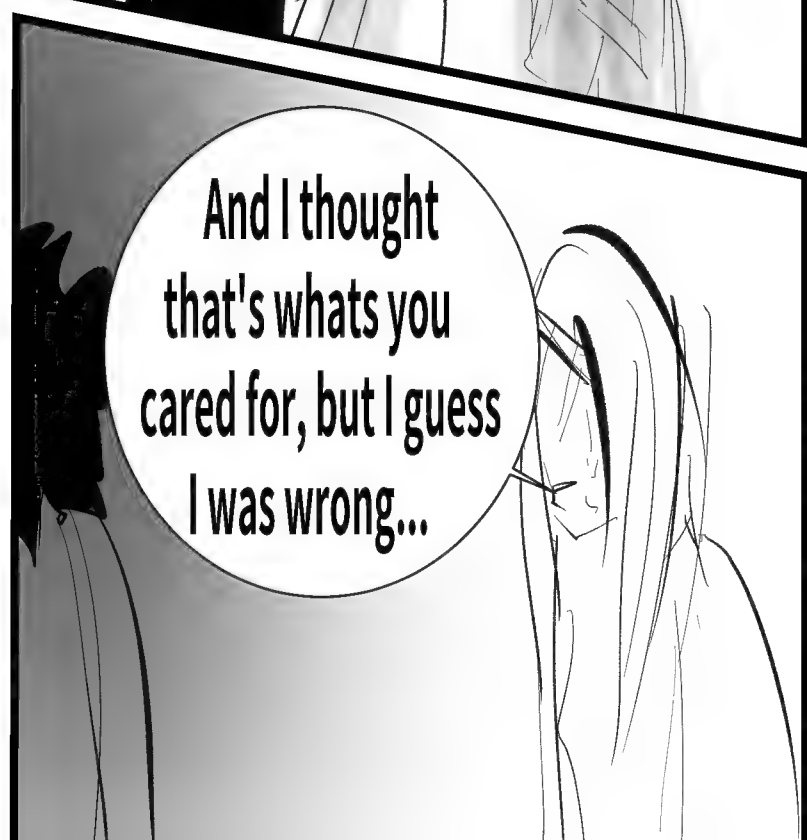

~~~~~  
p - o p

**Like**

**you**

Maybe she is the reason Zeta survived?

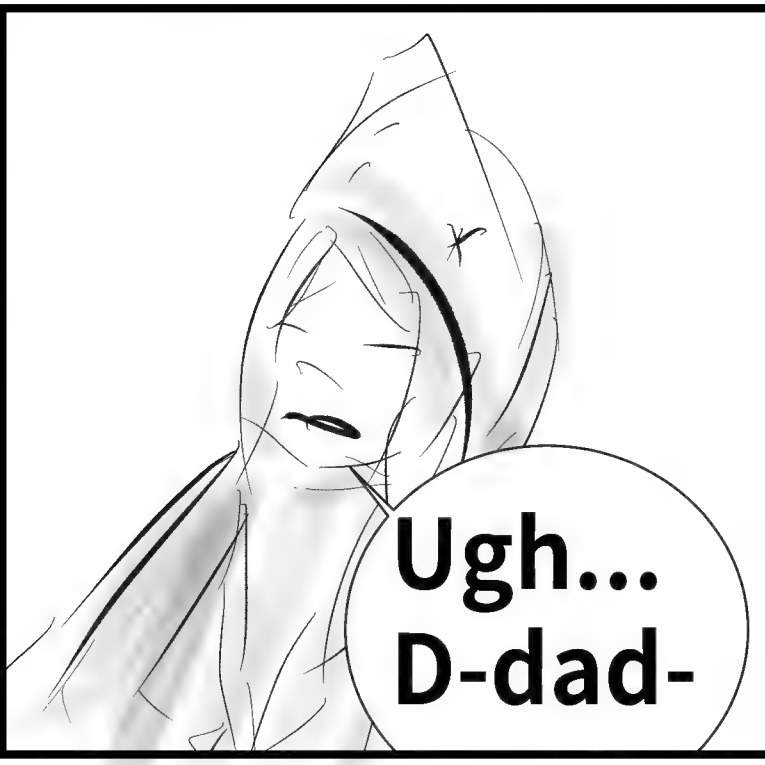

But being "right" is more important to you, huh?!

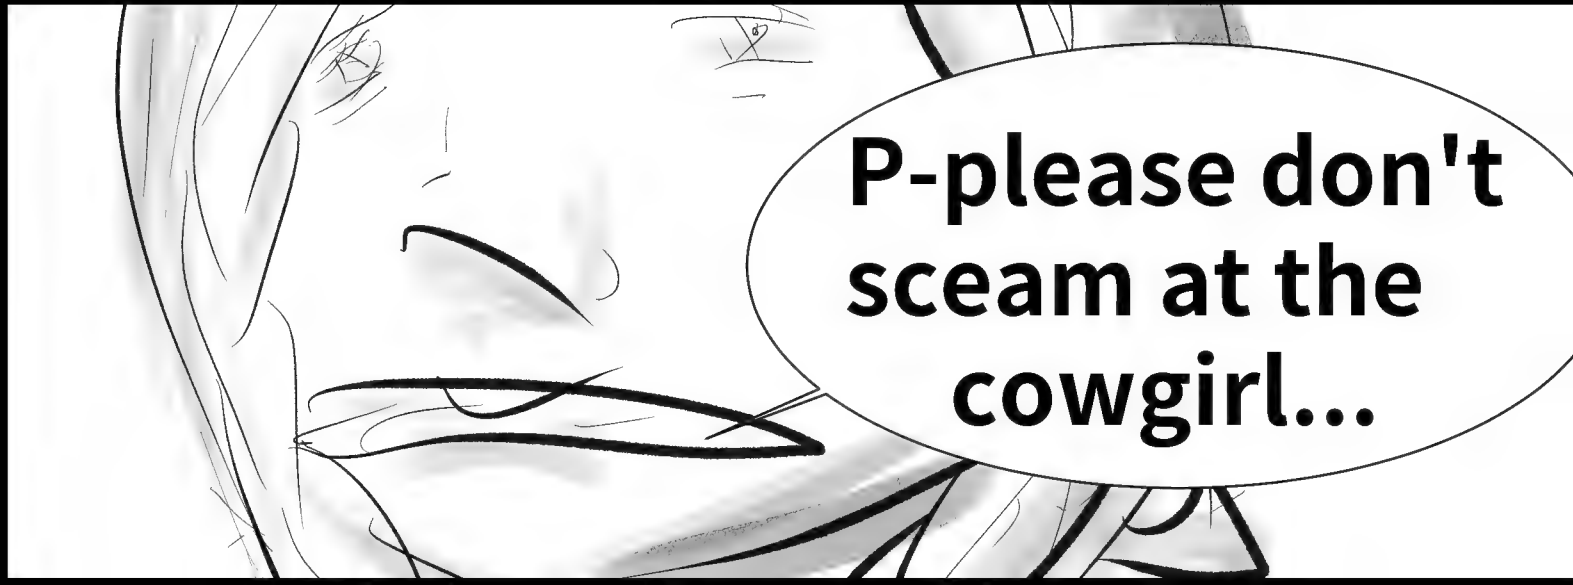

**That's what matters, eh?**

Woman, spend your motherly instincts in the right place

**Ugh... D-dad-**

**P-please don't scream at the cowgirl...**

Do you need to lose  
more fingers than the  
Banshee of Inisherin  
before you will get it?

Please, not now-

**YOU DON' GET IT!**

**Sh-she  
tried to  
help!**

**It was my fault!**

Where  
are you  
going?

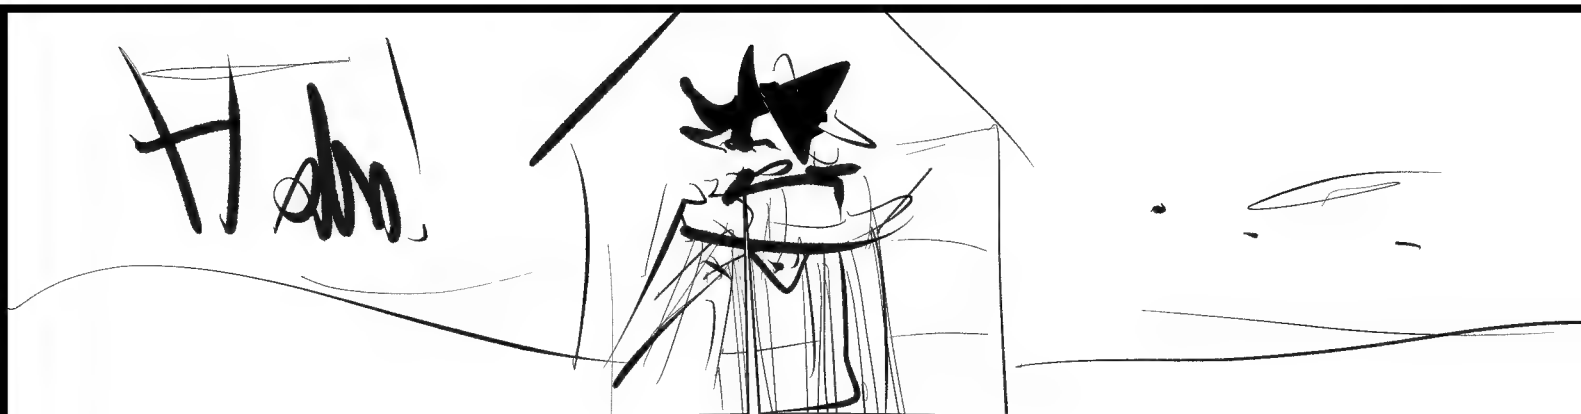

Just need  
some fresh  
air..

**Of all the things...hehe**

The thing that taught  
her to finally take  
responsibility...
